Reshaping the tables of the future

FUSIONtech

Collection Features and Benefits

- **Wide selection of forms** designed to suit a variety of culinary presentations.
- **FUSIONtech technology** enhances color depth, layered texture, and overall visual richness.
- **Matte and glossy finishes** are combined to create both **visual contrast** and a **refined tactile experience**, thanks to FUSIONtech.
- Each piece comes with a **lifetime warranty against edge chipping**, ensuring **long-term durability**.
- The porcelain body is highly **resistant to scratches and sudden temperature changes**.
- Every plate is crafted **for heavy-duty use** in the fast-paced, professional HoReCa industry.

Kymen

Kymen captures the rhythm of nature and the soft traces left by water on sand. Its surface design features gentle transitions between coral and blue tones with a technique reminiscent of controlled brushstrokes.

With its extensive range of shapes and functional pieces, Kymen—enhanced by FUSIONtech technology—offers added depth and a striking interplay of matte and glossy textures. This timeless collection provides chefs with natural presentation options, combining resilience with versatile, distinctive forms.
