FUSIONtech

Retro Floral

Nostalgic colors meet modern forms. With FUSIONtech, glossy floral details stand out on a matte ground. The series withstands scratches, sudden temperature changes, and intensive professional use, with a lifetime edge-chip warranty on selected forms.

Collection Features and Benefits

- **Wide selection of forms** designed to suit a variety of culinary presentations.
- **FUSIONtech technology** enhances color depth, layered texture, and overall visual richness.
- **Matte and glossy finishes** are combined to create both **visual contrast** and a **refined tactile experience**, thanks to FUSIONtech.
- Each piece comes with **a lifetime warranty against edge chipping**, ensuring **long-term durability**.
- The porcelain body is highly **resistant to scratches and sudden temperature changes**.
- Every plate is crafted **for heavy-duty use** in the fast-paced, professional HoReCa industry.
