Reshaping the tables of the future

FUSIONtech

Aquelis

Inspired by the captivating depths of the sea, Aquelis mirrors the intricate patterns of coral, and the fluid movements of underwater ecosystems and creatures. This dynamic collection blends earthy and oceanic blues through a variety of shapes and sizes, evoking a sense of natural elegance.

Enhanced with FUSIONtech technology, Aquelis offers exceptional depth and visual richness. The interplay of matte and glossy surfaces brings the collection to life, highlighting its refined details. With its balanced design and professional-grade performance, Aquelis is the perfect choice for sophisticated culinary presentations.

Collection Features and Benefits

- **Wide selection of forms** designed to suit a variety of culinary presentations.
- **FUSIONtech technology** enhances color depth, layered texture, and overall visual richness.
- **Matte and glossy finishes** are combined to create both **visual contrast** and a **refined tactile experience**, thanks to FUSIONtech.
- Each piece comes with a **lifetime warranty against edge chipping**, ensuring **long-term durability**.
- The porcelain body is highly **resistant to scratches and sudden temperature changes**.
- Every plate is crafted **for heavy-duty use** in the fast-paced, professional HoReCa industry.
