Bespoke innovation.

Meet ENVISIO!

Designs for personalized presentations with **digital decoration technique**...

We believe gastronomy is a total experience and the value of presentation and ambience as important as the food and service.

Envisio is the Bonna's newest family of products inspired by the latest technological trends and blending traditional design style. In addition to the privileges already provided by Bonna, Envisio is preparing to create a new identity and authenticity in the tables. Whether your presentations are completely your imagination, with the personalizable design privilege provided by Envisio.

With Envisio Collections, we are proud of bringing a new dimension to the Horeca sector.

Our products marked
with  have an edge
chipping guarantee.

All Bonna product features are provided by **ENVISIO**.

ENVISIO Coding System

Example

Freya Beige Gourmet 23 cm Flate Plate

FRYBG GRM 23 DZ

Food Safe

The products of the Bonna ENVISIO Collection, like all other Bonna products, are approved by **SGS** and **Intertek** and are **compliance with the food**.

The SGS logo consists of the letters "SGS" in a bold, grey, sans-serif font. A thin red vertical line is positioned to the right of the letters, and a thin red horizontal line is positioned below the letters, intersecting at the bottom right of the "S".The Intertek logo features the word "Intertek" in a white, sans-serif font, centered within a solid blue rectangular background.
